

1970 · AGE OF DISCOVERY...

Dearest Mary?  
Well another year has come and gone! and a beautiful friendship is again in full bloom. (Glowing huh?) (Our?)  
Close friends are hard to find, and you are truly a "Golden Friend" and we always and you have always been close, and our senior year will be (sisters) I hope all our years put together! (It Better be!) Right? I hope that as the years progress, that our roads will always be crossing! and we will set for yourself be fulfilled! Have a great senior year!  
May God Bless you!  
Love always  
Joanne  
(sisters always)

Mary,  
 It's been a good  
 year and great being  
 in the same P.E. class with  
 you. I'm not going to mention  
 any mutual (?) friends (?) &  
 so have a great summer and  
 I'll see you next year Bye.

## 1970-AGE OF DISCOVERY

To look beyond today with a fresh hope  
 and a new found desire to keep living.  
 To be content with one's decisions  
 and to trust one's judgements.  
 This is the discovery of Life.

We glory in triumph and boast of our greatness.  
 We stand tall for all to envy.  
 But to know we're needed in defeat is to  
 discover Honor.

They offer so much, willing to lead, to teach,  
 but only we can gain from all they give.  
 And we discover Learning.

We involve ourselves and strive for something better.  
 When something improves because we cared enough,  
 We discover our Ability.

Not quite on top yet, we do our best  
 and show what we can be.  
 Looking forward to the remaining years ahead,  
 we are content to wait until we can make the  
 discovery of being a Senior.

We work so hard and hope it's worth it.  
 The future holds untold promises of what we can be.  
 And we discover what we really are and  
 what we shall do.

In many years we'll look back at La Habra  
 and think of all that happened.  
 We'll remember what it gave us and we'll smile,  
 And we'll discover Pride.

out-a-sight!

Girls waiting for their turn.

The Six League Shave Party was a real change in the way the girls were treated. When the evening was young the girls were treated themselves with Go Go shaving and a good hair brush. After every girl was shaved out the gym was not except for a good shave or two. The next morning the girls were to find shaving cream for getting their shaving done and their shoes tied together in a pile in the gym room. At last the girls were in the gym. The evening was a little bit girls with plenty to do the rest of the weekend in sleep.

The 1970 Junior-Senior Prom proved to be the most successful Prom in the history of La Habra High. Traditions were broken which created success. Young men dressed in tuxedos escorted their dates dressed in beautiful long formals through an iron-fenced gateway. They then came upon a beautiful fountain in the center of the room with running water. They were then in the atmosphere of Jardins D'Orleans (the theme of the 1970 Junior-Senior Prom), which is a garden in the midst of New Orleans. Refreshments were served by L.H.H.S. Sophomores in the Café Du Mond.

The height of the evening came with the crowning of the Junior King and Queen. The announcement was made by Master of Ceremonies John Kay and the Royalty was crowned by Ken Endo and Bruce Barta. This was the first year L.H.H.S. has ever bestowed this title. It proved to be a big success and made the 1970 Prom a lasting memory to all who attended.

## Graduation

### CLASS OF 1970

The end of the school year is always a time of bursting joy because you've finally wrapped up your four years of High School and you're now out on your own. No more tests or nagging teachers, no more getting up knowing you have to face six periods of the same dull monotony over and over again. Yes, long-awaited graduation is here. Familiar faces to see no more sports events and dances to leave behind, the teacher's amateur jokes never to humor or sicken you again.

Yes, the class of 1970 is now only a memory. But is it really a joy? What are those tears I see? Yes, some are tears of joy, but could some of those tears be of sorrow? I think they are! Now you suddenly realize those familiar faces are going to be the ones you really missed. Your friends you might see every once in a while at a Homecoming game or dance. And how about that kid who used to stand on his head in the Senior Park? You're going to miss him too, aren't you? All of this is graduation. The one thing you long to greet, but hate to say good-bye to.

Four years is a long time in which to collect memories. The memories of La Habra High will be good and bad, but whichever, the memories of freshman, sophomore, junior, and senior years will remain wherever and whatever you do.

So long La Habra

ORGANIZATIONS

# Associated Student Body Officers

Dear Student Body,

What we have experienced this year in student government has been a transition from old to new. We have a unique and much more workable organizational system. I feel it has been successful and will continue to be, if responsible leaders carry out the job they are supposed to do.

Although we did not experience great financial success, we were able to reach more students than in past years. Students that never cared to be associated with any type of student organization finally got into the swing of things and got involved. As we know, involvement plays a very important part in the making of a school and the accomplishment of a successful year.

We were able to accomplish some unity at L.H.H.S. Unity exists only when one can have mutual trust, cooperation, and understanding with one another. Many of these thoughts are very ideal but not far fetched. We can have unity, but remember unity begins when personal bias, prejudices, and inhibitions are discarded. I sincerely hope you remember these ideas and apply them in life, because that's where it's really at!

I would really like to thank the cabinet, the Activities Board, and all people involved in Student Government for their time and effort in making this year a lot better than most!

PEACE AND LOVE TO EVERYONE

# Highlander Trips To Germany

Highlanders!

Last summer when most of you were either trudging to summer school or taking off for the beach, I was rushing around, getting ready to fly to Germany. I found out during a final exam that my AFS summer would be spent in Northern Germany. My "family" consisted of my sister Christel, 14, my brother Jurgen, 11, Mutti, Vati and our huge boxer, Brigant. I became a daughter, and member of this family, seeing Germany as a German, not as a tourist.

I have so many wonderful memories from my stay abroad, for which I must thank the AFS Chapter and the kids at LHHS for their support. I'll never forget my surprise at seeing Manfred Link, AFS'er from three years ago, at the Hamburg Airport, or finding Adriane II's, YFU student of 1968, living in a nearby town or my distress when I met my German family and forgot all my hurriedly acquired German! But most of all I will remember the things I learned—that people are always the same the world over—and that I always want to be involved with them.

# AFS Foreign

Helio Highlanders,

I had such a great time going to this school; I am really proud of it, and you know, it's not only because of clubs, dances, pep rallies and football games, but because of yourselves and the teachers. Thank you for being so helpful and friendly. This school has such a wonderful spirit. I will never forget the blue and the white. I want to thank the school and the AFS chapters and especially my family who made this year possible. It is so beautiful because I got to know so many people. There were bad times and good times, but I can assure you the times were so rewarding.

If you happen to come to Switzerland, visit me! I will be happy to see you soon.

Good-bye, or better, Uf widerluege

I really don't like to write this letter because it means that I am leaving and that I must tell you good-bye. You can easily imagine how I feel to leave the U.S.A. after having lived here one of the most beautiful years of my life, one year full of out of sight experiences and one year in which everything I have done was great. I was in the places I visited and the people I met. Especially my new family was the family with whom I lived and the whole year had some difficulties and some hard things, but it was easy to get through because there were a lot of people who helped me.

So I want to thank all my friends, AFS, my American family, and the teachers who have transformed my impossible dream into reality. I have made it beautiful by your presence. I leave with a smile and not with a tear, because I hope to see all of you again in Italy or in the USA. So my word for good-bye will be: *arrivederci*.

Arrivederci.

Yella showed individuality

The pep units can do a lot of reminiscing about the past year. They'll remember times performing in wet tennis shoes on muddy fields. Yells won't forget the day their outfits came back and the girls' skirts were down to their knees and Randy's sweater was two sizes too small. Then came camp when two of our boys got suspended for participation in a raid on the girls' dorm but couldn't leave because the hot VW's engine froze.

Remember the game Joyce kicked so hard she fell down, and when Kerry hit herself with her own flag? How about all the tears spilled in games both won or lost?

These 18 people made many new friendships and earned the feeling of accomplishment—a feeling that will stay for a long time to come.

SENIORS

# 1970 Senior Class Officers

BRUCE BARTA  
SENIOR CLASS PRESIDENT

There is no one word that can sum up the four years that the Class of 1970 has spent at La Habra High School. It has shown itself to be a class of great pride and spirit, as well as one of great ability; athletically and scholastically.

The Seniors won more than their share of pep rallies and other class competition. The Seniors also captured first place in the A.S.B. card sale competition this fall.

Seniors emphasized their uniqueness by holding a celebration commemorating the 70th day of school. This celebration was held on December 18, 1969, and was highlighted by a fried chicken lunch enjoyed by students and faculty alike.

Senior originality was personified by everything from class mascots to trash can painting. We have been growing and maturing for four years, and now, not surprisingly, as Seniors we have proven ourselves to be one of the finest all-around classes to graduate from La Habra.

The Seniors came up with many original money-making ideas, including the sale of Senior class pins and football jerseys.

While there are many multi-talented individuals in the Class of 1970, the thing that helped distinguish it from all others is its sense of unity. The proud Seniors were more willing to volunteer their time and effort on all class activities.

As this impressive class leaves La Habra High and goes its separate ways, I am sure that all of us will be better individuals for having spent these four years together at LHHS.

I am grateful to have been given the opportunity to contribute a small part to this great class.

UNDERCLASSMEN

# Juniors Are Down To Earth

As president I tried to represent the entire class not just that certain group. The year is finally over. What the school year meant to some meant something else to others. Therefore I will try to summarize the year from two points of view

(1) Get involved, Summer: Cake Sale=\$13 30. "Hell Week", Prom committees born, Class Council meetings. Football team predominately JR's. Won pep rallies. Lots of spirit. Car Rally. Snow Cone Sale. Good Basketball team. Junior Spirit day="wear blue and white and '71 badge." 71st day of school. "Great flag thanks to KD?" Fine showing on Top 100, honor roll, and CSF. Great showing of that Highlander tradition: Pride Week. "Great Potential." "Best Prom ever LOOK FORWARD TO BR GHT SENIOR YEAR" '71 rah, rah, rah, rah

(2) '71? Just a number. Moratorium=hassles with administration. Cafeteria food? What's the gang up to now? Student Gov't=Powerless group that involves a few? AFS talent show=? "Get your haircut you'll be a better person. Ha. "You can't wear that to school." Unity vs. Apathy= 2 words (which is reality?) Tutoring Program helpful. Scotsapades, Communications — teacher student — administrators (FRONT FIVE POWER HOUSE). Total involvement right . . . "Everyone come to the pep rally." Pride in what? "They tried but the community didn't dig it." Flexible Schedule. Right? "JEFFERSON HIGH WHERE ARE YOU?" "Did you play ball last year. Sorry I can't use you." Emphasis on sports. Clean Campus? Over emphasis on grades. Sorry School, District, State, Policy forbids

The school year had its ups and downs. Many things were accomplished, many things never got started. We have many abilities as a class and could gain much by just being ourselves and accepting others as they are. Presently school activities involve just a few people. (A pep rally just may not turn you on). As seniors I hope we can continue to involve a majority of the class. (Not just the old "gang" activities). Good Luck to all and Thanks

# Sophomores Are Down To Earth

The enthusiasm generated from last year's second place in "Class of the Year" was enough to scare some people. We were then ready for first. When "Class of the Year" was abolished it was a real let down. However, this year the class of '72" showed that the let down was only temporary.

We started early in the summer planning for the upcoming year. We knew we needed more money, so our first activity was a cake sale followed by a pop-side sale.

Throughout the year we had many new and old activities. Our first was an all day beach party. In the Pep Rallies we promoted not only spirit but a feeling of unity toward our fellow classmen. On the 72nd day of school we started with a seven foot abstract hand that read "You've got to hand it to 72." At noon we felt it appropriate to be the first to fly our flag over the Senior Park. Some of our other activities were a snow trip, a playnight and Robert Burns birthday.

Once in a while a class comes along that has all the qualities of a "great class". I truly feel ours is one of those.

# Freshmen Are Down To Earth

In its all-important freshman year the class of '73" has proven to be full of spirit and Scottish tradition. Being the only class able to boast of the shortest people and the tallest, we scored a convincing victory in an early pep rally by stuffing 24 people into a Volkswagen

But our class didn't stop there. By participating in school activities we compiled an outstanding sports record starting with football where we went undefeated the first time in La Habra's history. We also showed much promise in Water Polo, Cross Country, and all of the other sports.

During the year we chose the Elliot tartan to further the Scottish tradition. This also proved to unite the class and expand its spirit and pride. This unifying factor helped the freshmen to keep in stride with the rest of the student body through the year.

By participation and cooperation the freshman class has achieved an excellent start at La Habra High School. With continued success in the following three years the class of "73" will undoubtedly become one of the finest La Habra has ever known.

## We Stand Tall For All To Envy

The 1969 Varsity Cross Country team proved to be one of La Habra's strongest athletic attempts. Under competent direction of Coach Winklemann, Varsity racked up win after win, scoring over all other schools in dual meets. This year at CIF Finals the La Habra Harriers captured a much deserved seventh place. La Habra High can be proud of its no loss record in the past three years. This dedication and enthusiasm brings about the greatest kind of satisfaction, the kind that comes from pride in a job well done.

Chris Mecker and Jeff Huber lead the way to a winning season for La Habra Harriers

For the tenth consecutive year, La Habra's JV team completed the season without a loss. This year, the team was led by John Garcia and Dave Ma'n who consistently placed first and second places respectively. The rest of the team, Randy Lander, Ray L. Ponce, Melvin Fitzhugh and Al Molina gave balance and individual contributions to the season's achievements. A first place at Mt. Sac and a third place at Westminster resulted in high national standings for the team. This year's JV's outstanding ability and perseverance will keep varsity at the top again next year.

Randy and Ray battle it out as they lead the pack at Kennedy High.

## JV's Successful With 4-2-1 Record

... Kennedy territory

Two of the best plays of the year by the defense in the game.

Coach and player of the year.

# Inexperienced Bee's Show Promise

Despite a rather disappointing season, the Bee's showed some great promise in the fact that most of the team was comprised of freshmen. Led by freshman quarterback Mike Crosby and "most valuable player" Dale Kemp, also a freshman, the team gained much respect from opponents because of their inexperience, yet strong desire.

Student coach Mike DeGeorge named other standouts as sophomore Bill Horner and junior Frank Desantis. Recognition is also greatly deserved by freshmen Darrel May and Mike Elliot for a fine job performed throughout the year.

The Bee's lack of experience may have altered their playing, but certainly not their pride or incentive. Even with the little outside support they received, these boys proved themselves to be a team with a lot of depth and most important a really fine future.

A lot of credit also should be given to the coaches Pat O'Donnel, Fred Butler, and student coach Mike DeGeorge for a job well done.

It is hoped the Bee's could have had a very successful season. Unfortunately the breaks didn't come. The Bee's proved though, if nothing else, that the success of a season is not always measured in its wins and losses, but in the effort and desire that's put out in playing the game.

Front row: Burns, Adams, Morrujo, Maire, Britton, Garcia, Herring, Wallace. Middle row: Frendival, Patota, May, Elliot, Pyl, Esparta, Horner, Carver, Starnz. Back row: Desantis, Risco, Crosby, Repasy, Turk, Schell, Hicks, Hocks, Brown, Kemp, Benjamin, Hopsie, Hoffman, Agurre. Student coach DeGeorge.

# Spirited Cee's Take It All

First row: Perez, Hinojosa, Zuniga, Herrera, Morales, Marx, McCoy, Giffin, Butler, Fox, Fleming, Meyers. Second row: Wight, Vidona, Herrera, Thomas, Brand, Patton, LaPage, Foley, Wells, Schmitt, Cramer, Hunter. Third row: Contreras, Diaz, Correa, De Santis, Gohhardt, Charlton, Herring, Jensen, Arsenault, Langford, Hale, Lopez, Russell, Marrero. Back row: Marchant, Niles, Wight, Rogers, Barrios, Mills, Benton, Carleton, Dennis, Franklin, Renolds, Hodgman.

The La Habra Cee football team became the first football team to go undefeated in the history of L.H.H.S. They completed their season as Freeway League Champs. Coaches Hastin and Hurley accredits their success to an aggressive attitude and a strong team effort. Showing also to be a contributing factor was that the Cee's defense allowed only 3.3 points a game. The offense didn't do too bad either as they averaged 22 points per outing.

An example of the Cee's greatness came in their first home game as they literally ran Lowell off the field in a 42 to 6 rout. The team's depth was demonstrated as half the points were scored by the second and third teams. Because of the team effort the Cee's displayed, no "Most Valuable Player" was named. Coach Hastin said that the award just couldn't be given because of the large amount of fine players on the squad. All fifty of the boys did a great job.

What made all of this even more outstanding was the fact that only one sophomore started on the offensive and defensive teams. With this in mind it looks as if La Habra is in store for some fine football in the future. Congratulations to Mr. Hastin and the entire Cee football team for an outstanding year.

# Tankers Post 4-3 Freeway League Record

Bob Fraizer

Led by Captain Mark Davis, Bill Johnston, Bruce Shirey, and the coaching of Mr. Thomas Lloyd, the Tankers powered through the 1969-70 water polo season with a 4-3 Freeway League and a 5-7 overall record.

According to Coach Lloyd and the rest of the team, the season on the whole was a frustrating one. First, the strong and overpowering Fullerton Indians beat the Tankers 14-7. Then, if that wasn't enough, they lost two close games in double over time to Sunny Hills and Troy.

Bill Johnston was chosen Most Valuable Player, as well as first team on All-Freeway League. Bruce Shirey was chosen for the second team.

Returning to next year's varsity team will be Bill Browneller, Dennis Macready, Richard Blamey, Rich Goodwin, and many up coming players from the Bee's and Cee's.

This year's Highlander team proved to La Habra that it could win and also accept defeat when up against a better team.

## Cee's Show Potential Talent For Varsity

One of La Habra's stronger Cee teams took one loss in league play and went on for an excellent 12-1 win loss record. The Tankers seem to feel it had something to do with the coaching of Mr. Thomas Lloyd.

The team was led by Co Captain Curtis Springer and Jeff Cameron.

Most Valuable Player was Greg Moegling.

Coach Lloyd praised his young men for their valor and bravery beyond the call of duty. These extra efforts put the Cee team on top at all times.

A pin and five team points for Randy Fox

Despite a set of sour pre-season matches, the Varsity came back with an outstanding 5-1 record going into League Finals. Team Captain Rick Motter and Coach Dennis Reisman led the team to a most commendable season in spite of previous seasons. This is Coach Reisman's second year at La Habra and he has done an excellent job at the wheel of the two wrestling teams

The most outstanding performances were turned in this year by Glen Caulkins, Randy Fox, Dale Spargur, Bill Baker, Rick Motter, Jim Rakoci, and Jim Capps. These men, more than any others, showed our school and the other teammates what pride is all about. In the years to come, wrestling will take its place in the annals of La Habra High as one of its strongest sports

As the clock runs out a near victory is at hand

A good seasonal record and some outstanding efforts, helped make the JV team one of the best in the league. The JV's are the backbone of the future varsity teams and the training they go through is as rough or rougher than any other team. Coach Reisman considers the junior varsity a most challenging one.

Potentiality counts in wrestling and this team has it. Wrestlers such as Steve Wight and Bob Vidana will lead their team to certain victory in coming seasons.

## Basketball 70 = Alright!

Joe Gordon Forward

Exciting and persevering best describe the 69 '70 varsity basketball team under the direction of Coach Tex Wallis.

The Clansmen were one of the toughest teams in the history of L.H.H.S. The height of this team was used to great advantage. There were many close games until the "big men" of the team took over and widened the gap between the Highlanders and their opponents. Games against Workman, Sonora, Cal Hi, La Serna and Savanna were good examples of boardwork and La Habra routs.

Even though the Clansmen had many clear cut victories they also had their share of cliff hangers. They opened with a one point loss against Fullerton in their first of two encounters. Then the team went on to beat Toy by three points, Buena Park by one point and Lowell by three points. After these games, fans complained of ulcers and cardiac arrests, but to no avail. Highlighting this year's basketball season was the defeating of Foothill, the number one team in Orange County. The Clan played their best offensive and defensive game against this team. Another fantastic game was against Sunny Hills. The Clan played tenacious defense throughout the game but their lack of offensive punch was their downfall in the 51 - 48 loss.

Leading the team during the season were senior forwards Sam Mletich, Ralph Reese, and junior guard Kent Pearce. Mletich and Reese averaged close to 16 points per game, Pearce averaged just over 11 points.

La Habra has always had a strong basketball tradition. This year's team with its skilled players, excellent coaching and true determination upheld this tradition with pride.

Mark Reed puts in two more for LHHS JV's

The LHHS 69-70 JV basketball team wrote itself a fantastic success story by starting the season with 12 pound ing victories. After defeating Sunny Hills once in a previous match they suffered a heartbreaking loss of more than 15 points in a second en counter. In spite of this disappointing loss, winning 12 straight games is a phenomenal record. With a compara tively large team, the JV's were strong on the boards. Accurate shoot ers and effective rebounders contrib uted to the team's success. With an other year to perfect their skill this team should produce a league win ning season next year.

## Bee's Bounce Back

As with other sports, the Bee basketball team showed a marked improvement. They started out slowly but gained momentum as they began a winning streak by leaving over 50 percent of their games with a victory. The new face of Coach Wright, plus a bonus amount of talent showed a favorable effect. All the future can reveal is a J.V. team made up of these thirteen players who know how to play basketball in a winning fashion.

# Cee's Do It

Left to Right: M. Desante, R. Contreras, D. May, M. Crosby, D. Patton, S. Carlston, M. Dennis, S. Walden, S. Patterson, J. Stuber, J. Jackson

Outstanding Freshman Mike Crosby shows form and talent

The spunky Cee cagers of La Habra literally "did it" this year as they ran all league competition right off the court. The Cee's, under direction of head coach, Fred Butler and student coach Mike DeGeorge, captured the Freeway League title and completed a perfect undefeated season. The Cee's were led by the scoring of sophomore Jeff Stuber and the rebounding of Steve Carlston. Other consistent standouts were freshmen Mike Crosby and Steve Walden.

Coach Butler attributed his team's success to a lot of hustle and a strong desire to win. The coaches have shaped these boys into a fine team and with the potential they have exhibited, La Habra can be assured that the fine basketball tradition of the school will be upheld.

## Clan Creates Waves Of Victory . . .

The Swimming team is building towards an extremely bright future, according to Mr. Lloyd. Over 80 percent of the team was comprised of sophomores and freshmen. Many young swimmers like Brad Tallman, Chuck Sargent, Brad Atkinson, Paul Bollinger and Jeff Bain should prove to be outstanding in future years.

Freshmen standouts included Cliff Benjamin, Bob Davis, Curtis Springer, Greg Moegling, Jeff Cameron, Kris Kocher, Brad Swancoat and Eric Umbarger. The varsity paced by senior captain Mark Davis, Bruce Shirey, and Bob Frazier did extremely well this year and at press time were in second place in the league.

Juniors, Dennis MacReady, Rick Blamey and Richard Goodwin are counted on to provide valuable leadership and experience for next year's Varsity.

When asked to comment on the season, Coach Lloyd stated, "Our team this year had the best attitude of any team which I have had here at La Habra. With this attitude, dedication, and skill, next year's team will have victories over all their foes."

## Tennis Raises Some Racket

This year's varsity and J.V. racketeers have opened the eye of many a spectator this season. Led by the strong play of Deems Ortega and Myron Coppock, this year's squad has shown a lot of success against very strong opposition. This year has also shown the maturing of many young players. With all of this on their side, one can see only success for this really fine tennis team.

# Depth, Experience Counts For Highlanders

A large amount of dedication and high hopes put La Habra on top at the end of the 1970 track season. Outstanding performance in the sprints was recorded by Irv Ray with a 10.3 in the hundred, along with the middle distance was Pete Hughes in the 440 with the time of 49.5 and Ken Mason in the 880 in a time of 1:56.0. The distance team was led by Chris Meacker in the mile with 4:19.0 and Jeff Huber in the two mile with 9:27.0.

Field events were led by senior Brad Cella with an outstanding mark in C.I.F. of 14' in the pole vault and Rudi Schmidt who successfully put the shot at 51'. Jim Slater had many fine jumps over 22' in the long jump and Bob Gordon hit 6'6" mark in the high jump. These and other consistently high marks assured La Habra Varsity team a chance for League Champs again this year.

Brad Cella puts out that extra effort in every performance. Shows here Brad clears the bar at 13.6.

It's time for baseball again, and this year's team has shown that it's going to be the top. With a lot of returning lettermen, and a few new faces L.H.S. varsity says that this is the year. With only six games to go on, this is only a prediction not a promise. If preseason wins relate to future victories, then our horsehiders should come out high in the league standings.

Hurler Mike Wills has had an outstanding season so far. If the rest of his pitching staff can follow in the same path, they should have their opponents on the run. First baseman Sam Miletich and shortstop Dick Clyde have proved to be a very respectable pair on the infield. Steve Barrios and Joe Gordon have the outfield well covered. If any fly balls get by these two, then this is one annual that will be surprised.

As this annual goes to press, all we can do is hope. The outlook at the present is bright. With all the above potential it should get brighter. The L.H.S. baseball team should prove that its skills are adequate, at least enough for a not so far off league title.

Coach Pat O'Donnell

# Frosh-Soph Gains Experience

The frosh soph baseball team is already on its way to another prosperous season. This year's team is young and a good future can be predicted. Every frosh soph's dream is to earn his varsity letter. With the potential that this team has shown this dream will not be a long time coming.

Excited spectators watch as frosh soph pull away from opponents.

With the season still young, the J.V. baseball team has shown that it's definitely going to be a league contender. Led by the strong hitting of juniors Pat and Tim Roberts, Kenny Allen, and sophomore Dave Mejia, the J.V. horsehiders are without a doubt headed for the top. The J.V. also show fine potential in the pitching of Jeff Funkhouser and sophomore Brian Plentz. Coach Tex Wallis and student coach Mike DeGeorge have stated that this is definitely one of the finest J.V. teams ever. With all this going for these boys, one can see only success for this year's squad.

G.A.A. is an organization made up of girls interested and skilled in sports. The main sports that are played during class are basketball, volleyball and baseball. Tennis, swimming, badminton and track are conducted after school. All these different sports are then played competitively against other schools such as Lowell, Sonora, etc.

One credit is awarded for participation in a sport. To get into G.A.A. and remain, it is necessary to go out for two sports after school. At the annual G.A.A. banquet, at the end of the year, the credits are totaled and awards are given. Twelve credits entitle one to a G.A.A. letter. Twenty-four credits entitle one to a season pass and twenty-eight credits entitle one to a life-time pass. These passes are similar to an A.S.B. card.

G.A.A. is a rewarding and worthwhile organization enjoyed by all the girls participating in it.

This year proved most interesting from the standpoint of trying to put together a yearbook that would be informative, interesting, and attractive

The year started with great aspirations, unique ideas, imaginative layouts, and superb enthusiasm. As time wore on, however, the abrasive pressure of laboring to meet a deadline took its toll. Planning the work and then working the plan was a lesson not easily learned. Consequently, tedious and tortuous hours were spent in night session doing the work that just didn't seem to get done during regular class.

Sometimes, tempers flared, friendships were broken (temporarily), and headaches developed. The Excedrin bottle became an essential part of the publications tool chest. However, pictures got taken, layouts drawn, and copy written — a near miracle it seemed at times.

As the year progressed, we were able to see the end from the beginning, and were convinced that deadlines would be met, and that a book would be published that would adequately record in pictures and copy the activities of LHHS, 1969-70. Not even the senseless work of vandals altered that belief.

To the students who stayed to the "bloody" end to see that all copy was sent in on time, we say a hearty "thank you." And we hope the results shown in this finished yearbook will be sufficient compensation for all of your long hours and worry.

In conclusion, may we say that we did the best we could with such as we had, and here is your book, such as it is.

Mary,  
 If you weren't  
 so quiet we might  
 have gotten to know  
 each other better.  
 Well we're seniors  
 now - one more year  
 and we're out for  
 good. Good luck  
 in the coming year.
